MINNEAPOLIS, MN—February 28, 2014 —The Captive Insurance Companies Association (CICA) will honor the 2014 recipients of the **CICA Distinguished Service Award** and the **CICA Outstanding Captive Award** at the Opening Session of the CICA 2014 International Conference on Monday, March 10, 2014 in Scottsdale, AZ.

Mike Lusk has been named the recipient of the **CICA 2014 Distinguished Service Award** -- the highest award possible in the captive insurance industry. This award recognizes individuals or organizations that have made significant contributions to advancing the captive insurance industry.

Lusk is corporate vice president, Insurance and Risk Management, at the Archer Daniels Midland Company. Lusk joined ADM in 1999 after a 25-year tenure with International Risk Management, Inc., where he served as senior vice president. He holds a bachelor’s degree in chemical engineering from Tufts University in Medford, Mass. and an MBA from the University of Texas at Dallas.
