A GROWING GLOBAL COMMUNITY

2026 was another record-setting year for membership growth, a testament to CICA's reputation as the leading global organization for captive insurance professionals and a powerful advocate for the industry. We are thrilled to welcome our newest members and look forward to connecting them with the knowledge, relationships, and opportunities that make our community so impactful.

CONNECT WITH THE CAPTIVE COMMUNITY AT CICA's 2027 International Conference

**MARCH
7-9, 2027**

**FAIRMONT SCOTTSDALE PRINCESS
Scottsdale, AZ**

CICA stands out to me as a true "catch-all" conference that remains unbiased across jurisdictions. What I find most compelling is the opportunity for collaboration among diverse regulatory environments, enabling meaningful dialogue and shared learning across borders.

**WHY MEMBERS
VALUE CICA AND
THE INTERNATIONAL
CONFERENCE**

CICA is the captive insurance industry leader!

CONNECT AND ENGAGE

CICA leads the industry's efforts to attract top talent. Our programs engage and support young professionals by providing opportunities for education, serving on committees, giving presentations and more.

NEXT GEN
young & new professionals

CICA differentiates itself by being especially welcoming and accessible for younger professionals entering the captive insurance industry. It offers a strong network and practical learning opportunities that make it easy to get your feet wet while building meaningful connections with industry peers and leaders.

MEMBERSHIP CATEGORIES

CICA's members are for-profit and not-for-profit captive owners and managers from many industries and all types of captives. CICA offers individual memberships with the flexibility to fit your business objectives. Unsure which member type you are? Email us at info@cicaworld.com!

Captive Owner

- Primary duties include being a risk manager or captive owner of captive company or risk retention group
- Intended for direct employee of captive's parent/affiliate company
- Primary functions include operating/managing captive (not applicable for board members of a captive)

Captive Manager

- Primary duties include administering/managing captive company or risk retention group on behalf of captive owner
- Must be domicile approved as a captive manager for captives or risk retention groups in at least one state or jurisdiction

Service Provider

- Provide business services to captives, risk retention groups, or the designated representative of an owner
- This category often includes banking, investment, legal, brokerage, carriers, actuarial, TPA's, accounting, tax and others that service the captive industry who are not a domicile-approved captive manager

Academic

- Employed full-time at academic institution
- Rate intended for deans, professors, or other teaching professionals
- Part-time academia not eligible for this rate
